SHORT BIOGRAPHY

Peter was born in Budapešť, Hungary in 1973. He earned his first degree in Germanic Studies at ELTE University in Budapest in 1999. He got a second degree in Economics at the College of Foreign Trade in Budapest in 2003.

He started his carrier working for the Hungarian Tax Authorities in the PR department.

He joined Westel Telecommunication PLC in 1999 and first worked in customer relations. From 2002 he led various sales and product development projects as Project Manager, participated in the T-Mobile re-branding project and in the merger of T-Mobile and Matav.

Until 2008 he worked as head of the Integrated Sales Campaign Management Department at Magyar Telekom when he joined Deutsche Telekom in Germany as Senior Launch & Lifecycle Manager responsible for international product management within the DT Group. From 2011 he worked in the Area Management department at Deutsche Telekom.

He was appointed member of the Board of Directors at Crnogorski Telekom in 2012 and has been responsible for the Montenegrin operation as a representative of DT.

On Jan 1st 2015 Peter was appointed Member of the Board of Directors of T-Mobile Macedonia and as of April 15th member of the BoD of Makedonski Telekom AD.
