Personal Data:

I was born on in Belgrade.

I moved to Skopje in September of the same year and I have been continually living here ever since.

I completed my entire education, starting from primary, through high school all through the university, with all subsequent additional professional trainings, in Skopje.

I was registered as a lawyer in the Bar Chamber of the RM on 25.11.1991 with license No. 0380, in which I had previously spent 2 years as a paralegal.

As a lawyer, I have taken part in numerous serious cases, as well as cases in the sphere of and under the competences of the prosecution office for organized crime. I have attended many seminars and trainings in various spheres of the law, and since 2010 I have officially been a lecturer and trainer in the Academy of Judges and Public Prosecutors of the RM.

In parallel, as a former active sportsman, I was a member of the Management Boards of the Ski Federation and the Karate Federation of Macedonia in which I still participate as a referee in the sports part and a trainer in a karate club.

I have advanced computer skills and I use English and Serbian language.

In view of my life and professional experience, I am convinced that I will give a positive contribution to the work and the assignments in the following period.

Miroslav Vujikj
